

## Message from the ACFE Board

This month members of the Board and Regional Councils have been busy with the selection of grants as part of the Round 2 Capacity and Innovation Fund.

Successful and unsuccessful applicants will be notified shortly. Please contact your regional office if you require feedback on the outcome of your application.

## Outstanding Learner

Congratulations to Jessica McKenzie who won the 'Outstanding Learner' award at the 2011 Victorian Learn Local Awards in early September. We think her story is incredible and we want to share it with you.

Jessica is one of seven children. She grew up in Wattle Glen and moved to Strathewen in 1994. At 14 years of age, in Year 9, Jessica's secondary education "went off the rails" and she was asked to leave school.

Deciding not to give up on her education, she enrolled at Diamond Valley Learning Centre (DVLC) in February 2007 and within a couple of years successfully completed studies in Maths, a Certificate III in Children's Services and a Certificate II in Community Services Work.

In 2009 Jessica experienced a further set-back and took 6 months off study after her family home was destroyed in the Black Saturday bushfires. Despite this, Jessica went on to complete VCE Maths Unit 1 at DVLC while living in temporary accommodation and working to support herself. She sat her VCE exams in November 2010 and passed with flying colours!

Studying at DVLC gave Jessica the confidence to apply for a Bachelor of Business at La Trobe University and received a first round offer. Jessica said *"I was pretty excited because I thought I had screwed my exams up, I was pretty much studying in my car really. It was a real struggle."*

In 2011, Jessica has scored very well in her first term University tests and has just received her semester one exam results. We should all take a leaf out of Jessica's book and live by her motto *"just do something"*.

## Update – Improving Governance in the Learn Local sector

In the August edition we talked about the project 'Improving Governance in the Learn Local sector' which is aimed at improving the capabilities of Learn Local Organisations in the training environment.

This project looks at providing Committee of Management (COM) members with a framework and relevant tools to manage their education and training activities more effectively in a competitive skills-delivery environment.

A survey has been conducted to further identify and analyse the issues and define the key areas of focus for COM and a report is currently being finalised. The report will be presented to at the next meeting of the Projects Reference Groups for their input into the types of resources and tools to be developed.

An update on the findings will be included in a future Newsletter.

## Learn Local success stories

It's been wonderful to see more organisations get on board promoting Learn Local. This month we are acknowledging Coonara Community House (CCH) and Mansfield Community Education Centre as successful advocates!

Recently, Coonara Community House placed the Learn Local logo prominently on their website and added it to their Course Guide for Term 3. We can't stress how important this is for brand recognition. With the advertising campaign in full flight, customers need to know when entering your website they are in the right place! Consistent branding will ensure customers recognise Learn Local and understand you fall under the umbrella of Learn Local organisations. Check out the CCH website at [www.coonarahouse.org.au](http://www.coonarahouse.org.au)

Mansfield Community Education Centre has also used the branding effectively on printed publications such as the July-October course guide and general brochures. They have recently re-vamped their website where the Learn Local logo sits prominently. It really looks fantastic – take a look [www.mace.vic.edu.au/our-community/](http://www.mace.vic.edu.au/our-community/)

Why don't you go through the checklist below to see if you are promoting Learn Local effectively!

### Checklist:

- ✓ Learn Local certificate is up on the wall
- ✓ Utilising Learn Local giveaways
- ✓ Learn Local posters are displayed
- ✓ Using branding on printed material and website
- ✓ Utilise banners once received
- ✓ Utilise lapel pins/badges once received

## A House Around the Corner... is on the small screen!

A House Around the Corner is a weekly television series running for 13 weeks on Channel 31 highlighting the incredible range of educational programs Learn Local organisations provide across Victoria.

It includes an associated website, providing viewers with follow up information and links to Learn Local and Neighbourhood House activities.

The aim of this project is to increase engagement with Learn Local and accredited training by showcasing examples and opportunities.

We hope it will increase visibility and awareness of local community learning opportunities and hopefully improve understanding of the community house based adult education sector.

Students from Coonara House's Certificate II in Media are involved in filming, lighting and editing of the series. This experience offers a range of skills and is helping provide growth paths for those seeking employment in Media with particular focus on the television industry in Melbourne.

Thankyou to all involved - it's off to a great start!
